A Gospel centered  
church is not a church  
where the preacher  
preaches the Gospel, but  
one where the people  
share the Gospel.

---

It is estimated that  
95% of Christians  
in America do not  
share their faith.  
Why?

---

---

Most people have  
no confidence in  
their ability to  
share the Gospel.

---

---

We are too isolated  
from non-  
Christians and do  
not have  
opportunities

---

---

Some believe  
evangelism is only  
for those who are  
seminary trained or  
gifted.

---

---

Many simply do not know how and have no one to train them.

---

---

Unfortunately, there are many who just don't want to do it.

---

---

By equipping the church and setting the example you become a catalyst for culture change.

---

---

You change your culture by changing your behaviors.

---

---

God has entrusted you to train your people so they can be equipped to tell their neighbors and friends.

---

---

There is nothing God joins us more in than in sharing the Gospel.

---

---

The Holy Spirit's power was given specifically to empower you to be a witness.

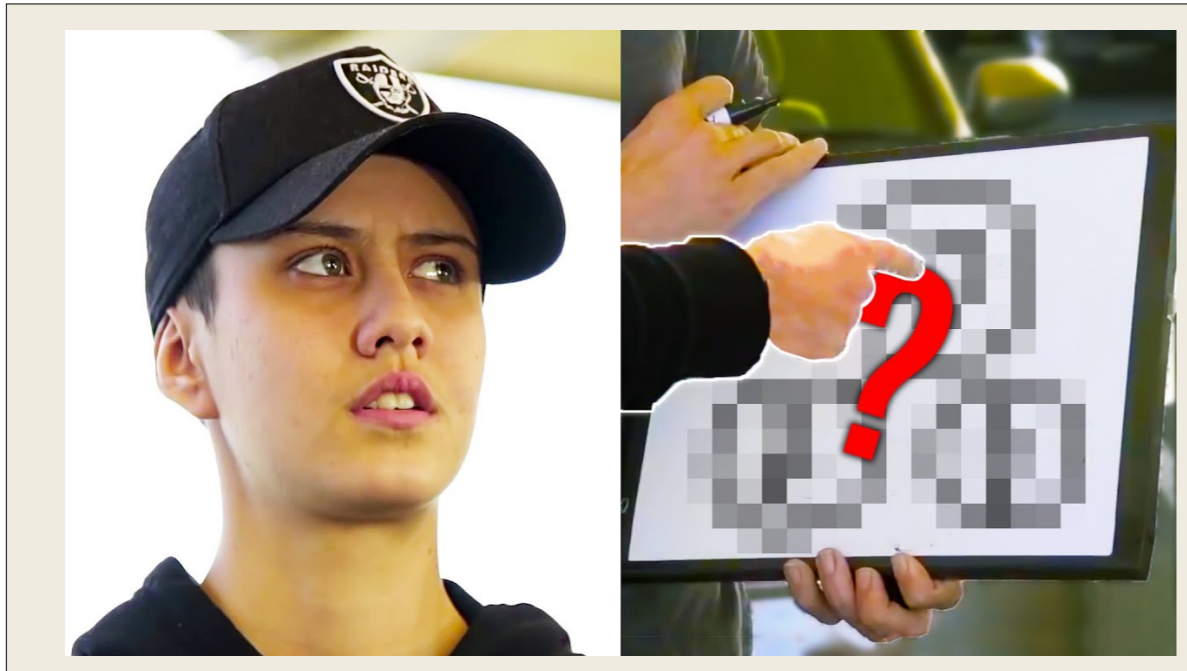

---

---

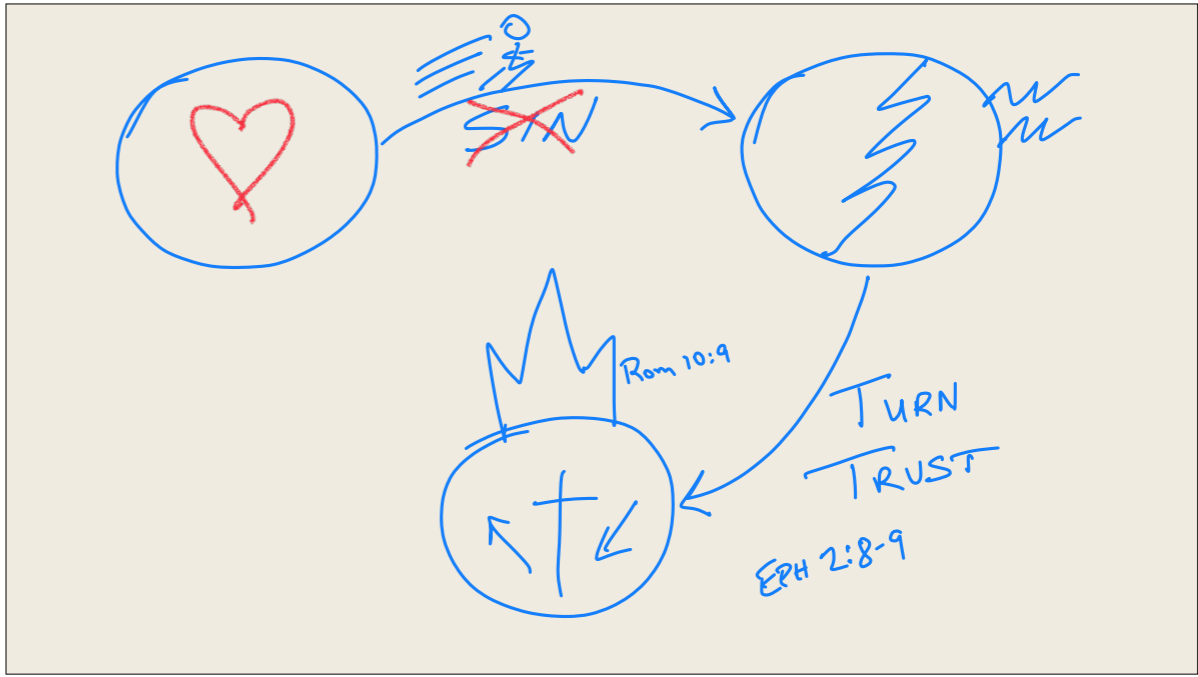

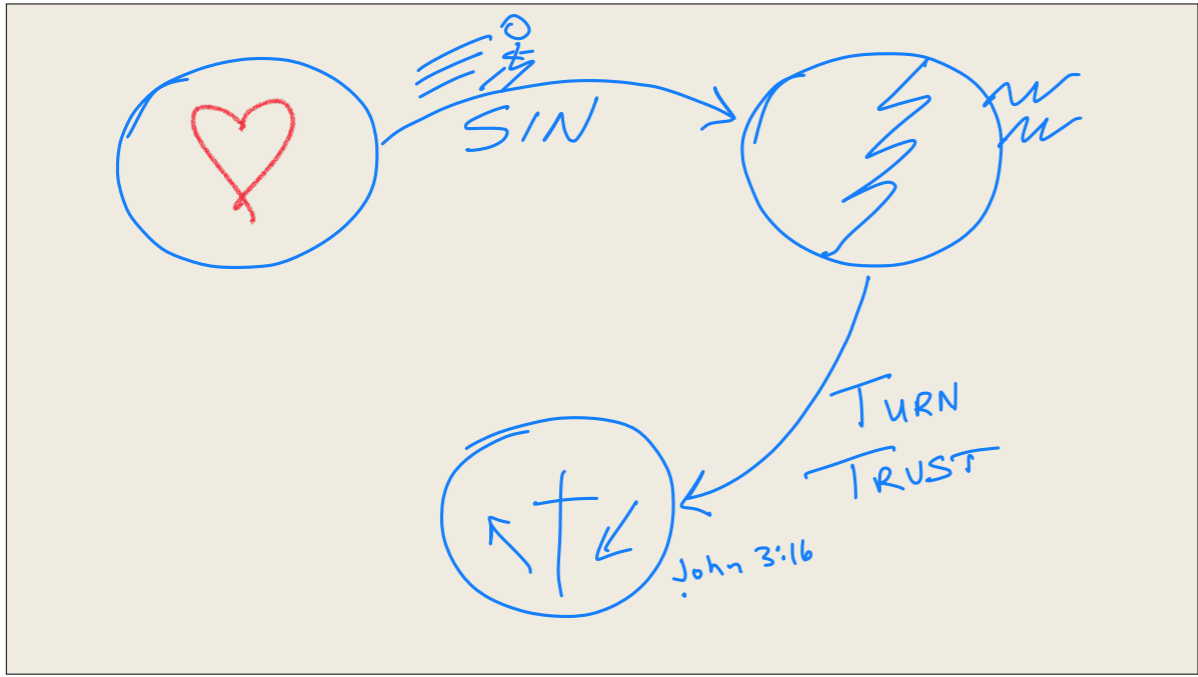

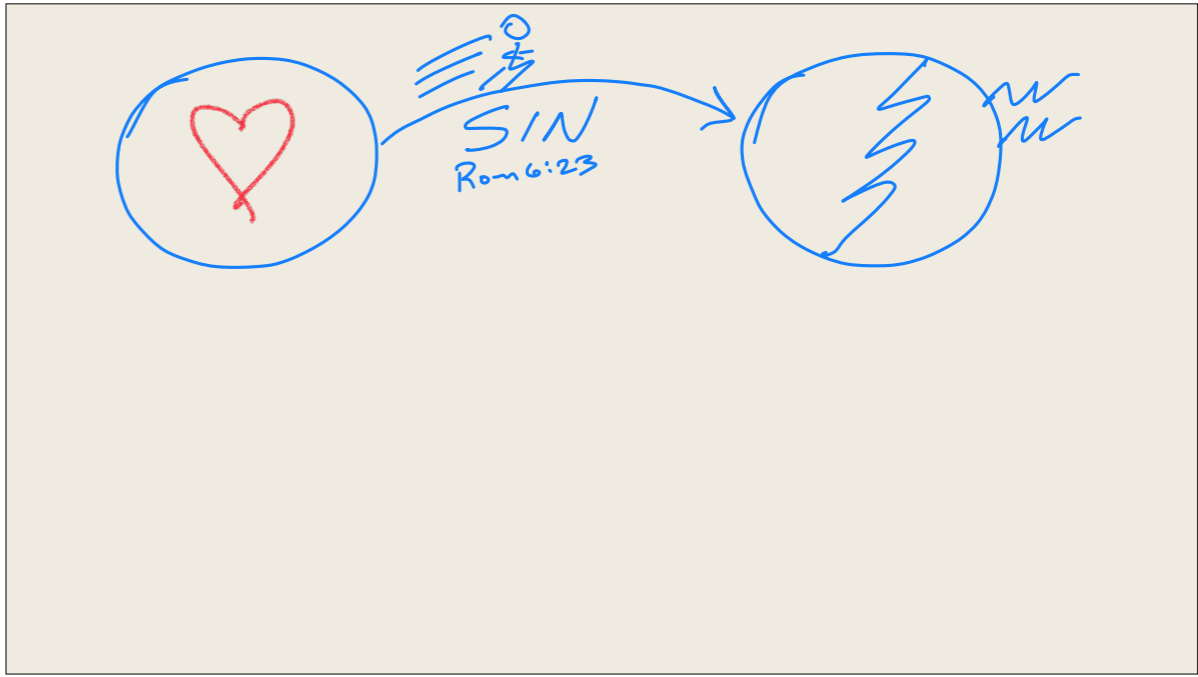

God is pursuing lost people through us when we go with the Gospel.

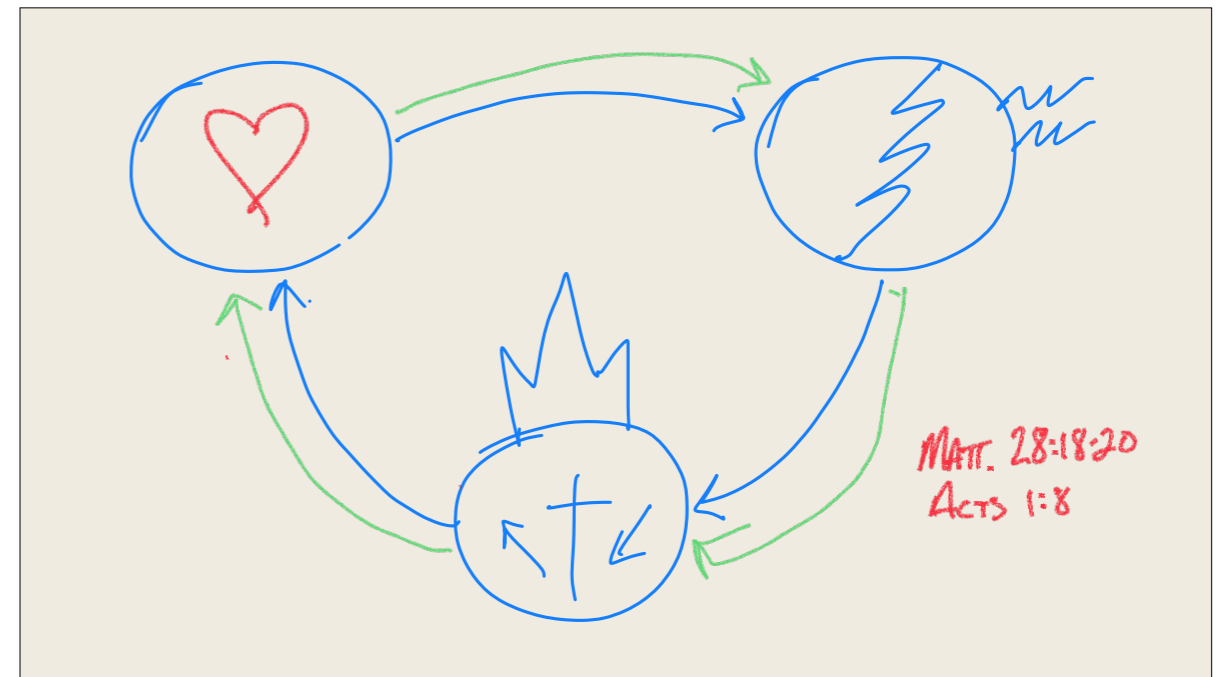

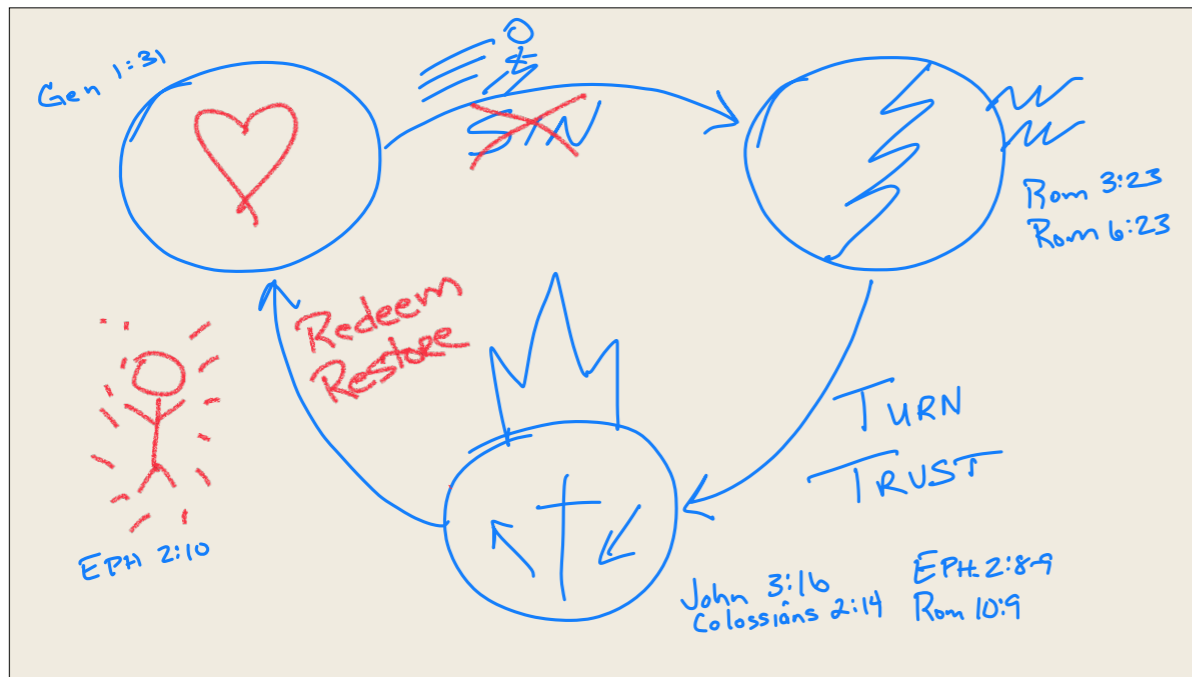

---

The Gospel has  
enough power  
to change the  
world.

This is Pastor Doyle Pryor with First Southern. I'm very glad you chose to begin the journey of following Christ. I really do desire to help you take the next step in your walk with Jesus. [785-504-9090](tel:785-504-9090) is my cell. Would you reply to this text with your name so we can begin having a conversation? I or one of my fellow leaders would be honored to set up an appointment to meet in the near future and maybe buy you a cup of coffee and help you take those next steps of faith. Thank you and may you know the peace and purpose that comes from belonging to Jesus.
